are Endless.**

# Managing Complexity

The background of the slide is an abstract, dynamic composition of light trails. On the right side, there are prominent, bright blue streaks that curve and sweep across the frame, suggesting speed and digital data. On the left side, there are more subtle, reddish-orange and white streaks that also curve, creating a sense of movement and depth. In the center, a faint, dark silhouette of a city skyline is visible, with some lights appearing as small, bright points. The overall color palette is dominated by deep blues, vibrant reds, and bright whites, set against a dark, almost black background.
